Cellar Snippets – from the President

What a wonderful evening session we had for our 25th Birthday in July.

It was our biggest night for quite some time with 36 people attending.

We kicked the evening off with a shared tea in the Cellar that had been decorated by the committee.

Ron Campbell came at the beginning of the session (Heather was not able to be there) so we could express our thanks to them for allowing to use the Cellar for 25 years. We are very grateful for their support. A card and some chocolates were given as a token of our appreciation.

Then the music started and continued for the next 3 hours. A big thank you to all those who performed, making it such a terrific night.

A special thank you to Doug Wallace, a long time member of the club who resides in Port Augusta these days. Thank you Doug, not only for making the trip to be with us but for your very entertaining bracket which I'm sure was enjoyed by all present.

I would also like to thank Bec, for arranging a compilation of photos on the laptop. A real trip down memory lane. Lots of reminders of folks who have moved on, and of some of the great times we have had as a club. Thanks too Bec for the fantastic birthday cake/s you made to help celebrate this milestone.

Before I close, a quick reminder of our AGM which will be held before our August session on August 10th. There will be a pizza tea provided by the club at 6.45. The meeting will start at 7pm and will be over before our session starts at 8pm. It would be great if you can make it.

Here's to the next twenty five years of The Cellar Folk Club.

See you at the Cellar.
Paul.
